

**North West Mull Community
Woodland Company
Membership Application Form**
Membership of the NWMCC is FREE.

What Is North West Mull Community Woodland Company? - NWMCC is the new community company, set up to purchase and manage woodlands in the North West Of Mull in the interests of the local community.

Why a Company? – The Land Fund and Argyll and the Islands Enterprise as well as the Forestry Commission will only deal with a Community Company. Also for future management reasons it makes sense that we start as a legal entity from the beginning.

Why Join as a Member? – The company will be owned and controlled by its members. Membership will allow you to vote at all General Meetings and, to become eligible for Directorship if you want to get more involved in the company’s affairs. The existing Directors hope everyone in the area will become a member so you can have your say in the running of the company.

Membership - Full Membership is open to you if you are aged 18 or over, have your main residence in the area defined in the constitution of the company (basically the North West Of Mull) and are entitled to vote in Local Government Elections in the area. Junior (age 12-17) and associate members have no voting rights and are not eligible for Directorship.
